### Assignment3

#### Part B

#### Andrew ID: yuzheng

In order save TA'S time, I show the application page flow below:

1. Enter the Main page, you can see that the title is the artist's name, below are Image and information about the artist.

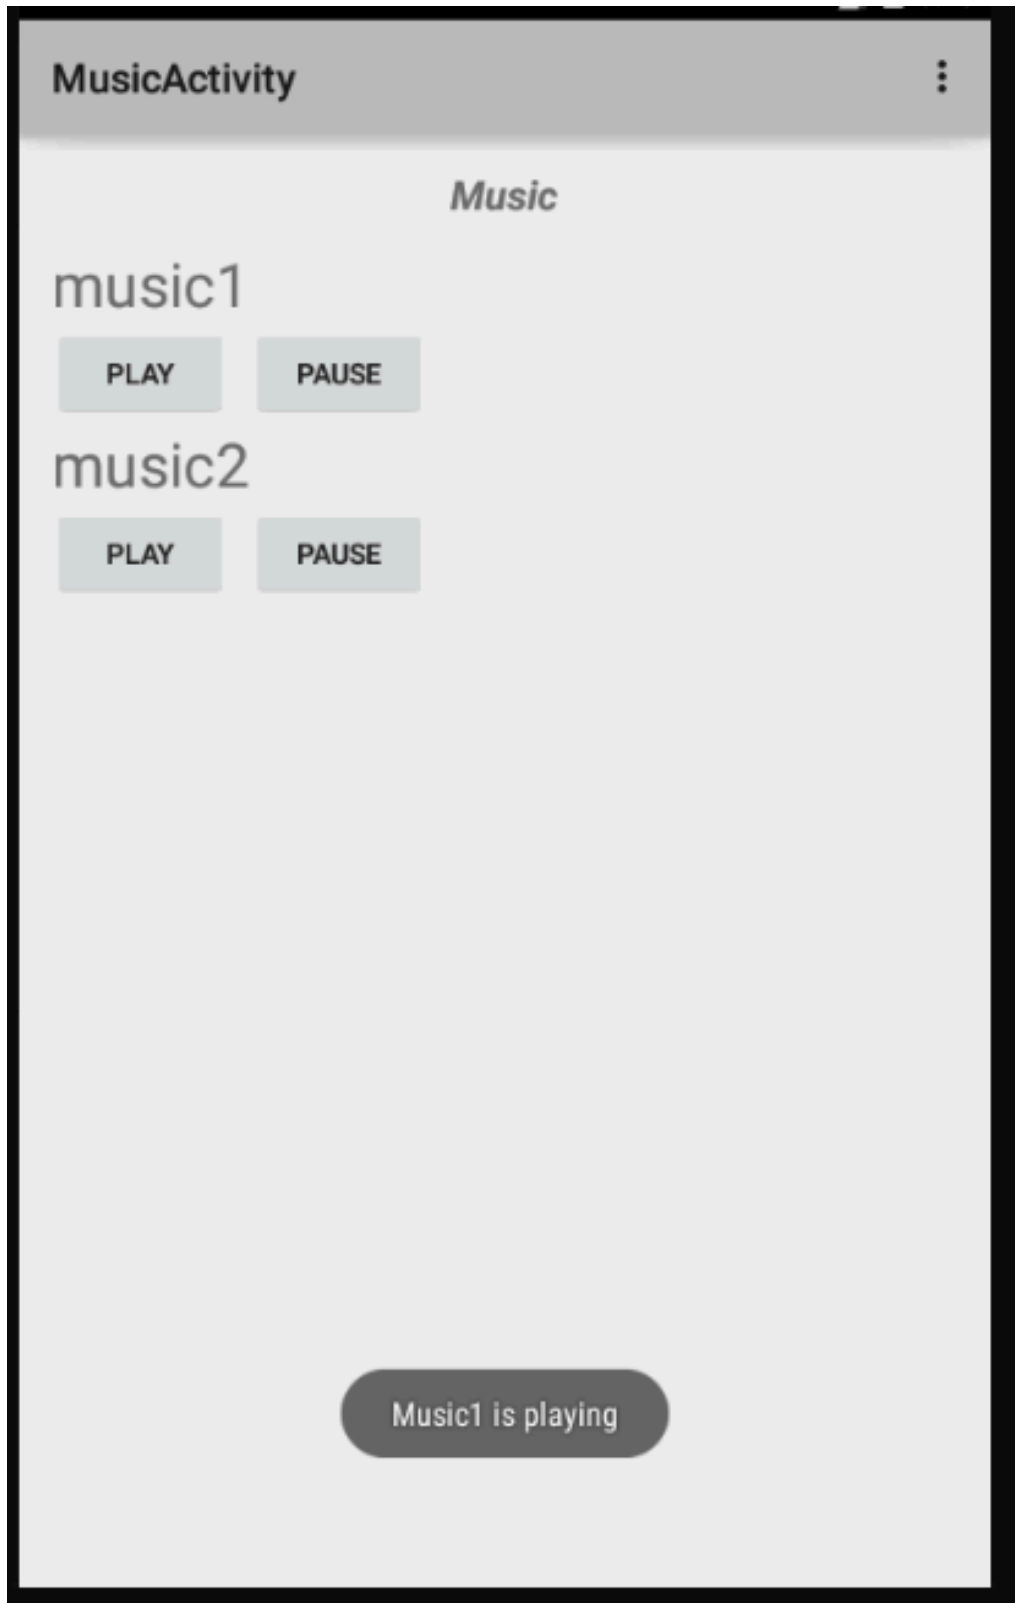

2. If you click “MAIN PAGE” Button, it would jump to Browser and visit the artist’s official web page.

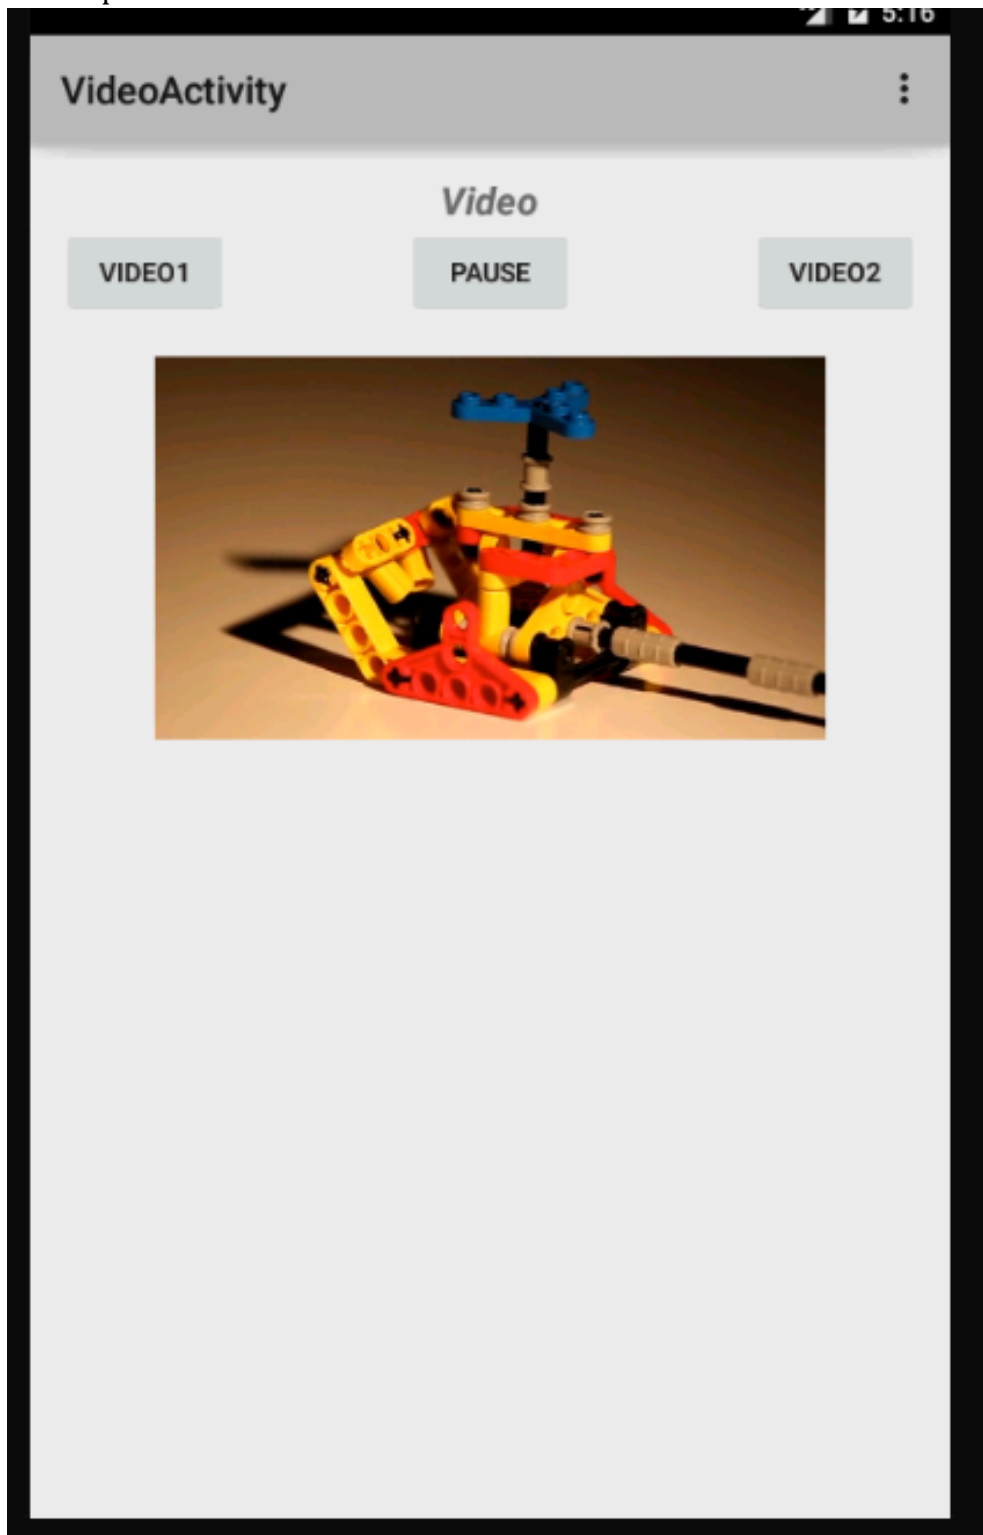

3. Also, if you click “**FACEBOOK**” Button, it would jump to Browser and visit artist’ facebook page.

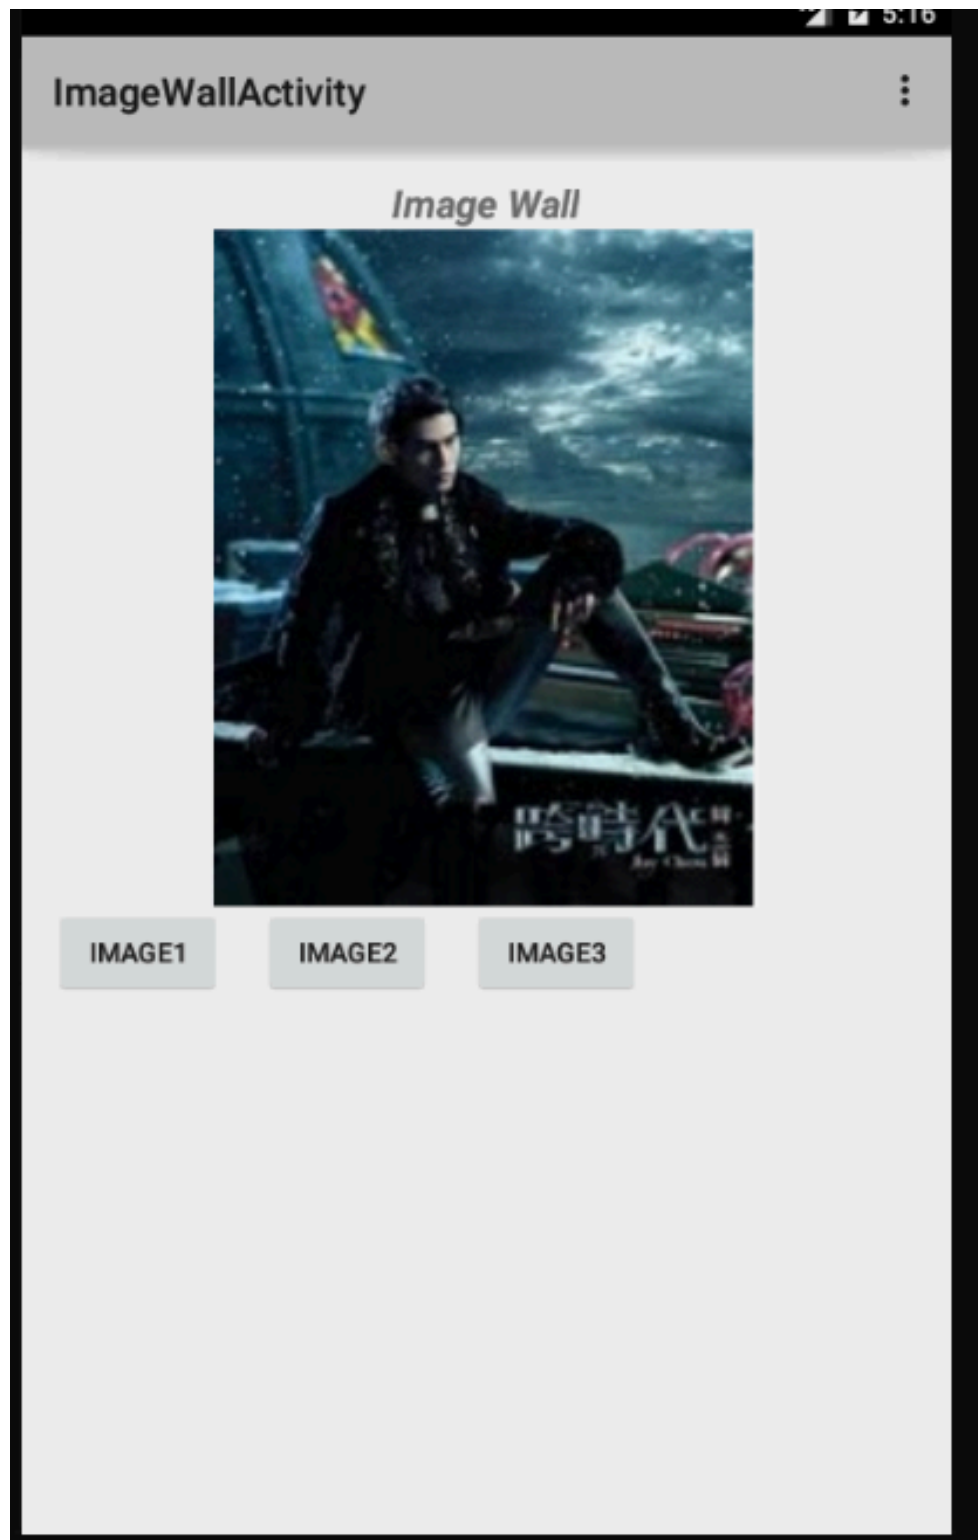

4. If you click “**Music**” Button, it would jump to Music Activity, and you can play and pause each of song, and the below would mention you the detail.

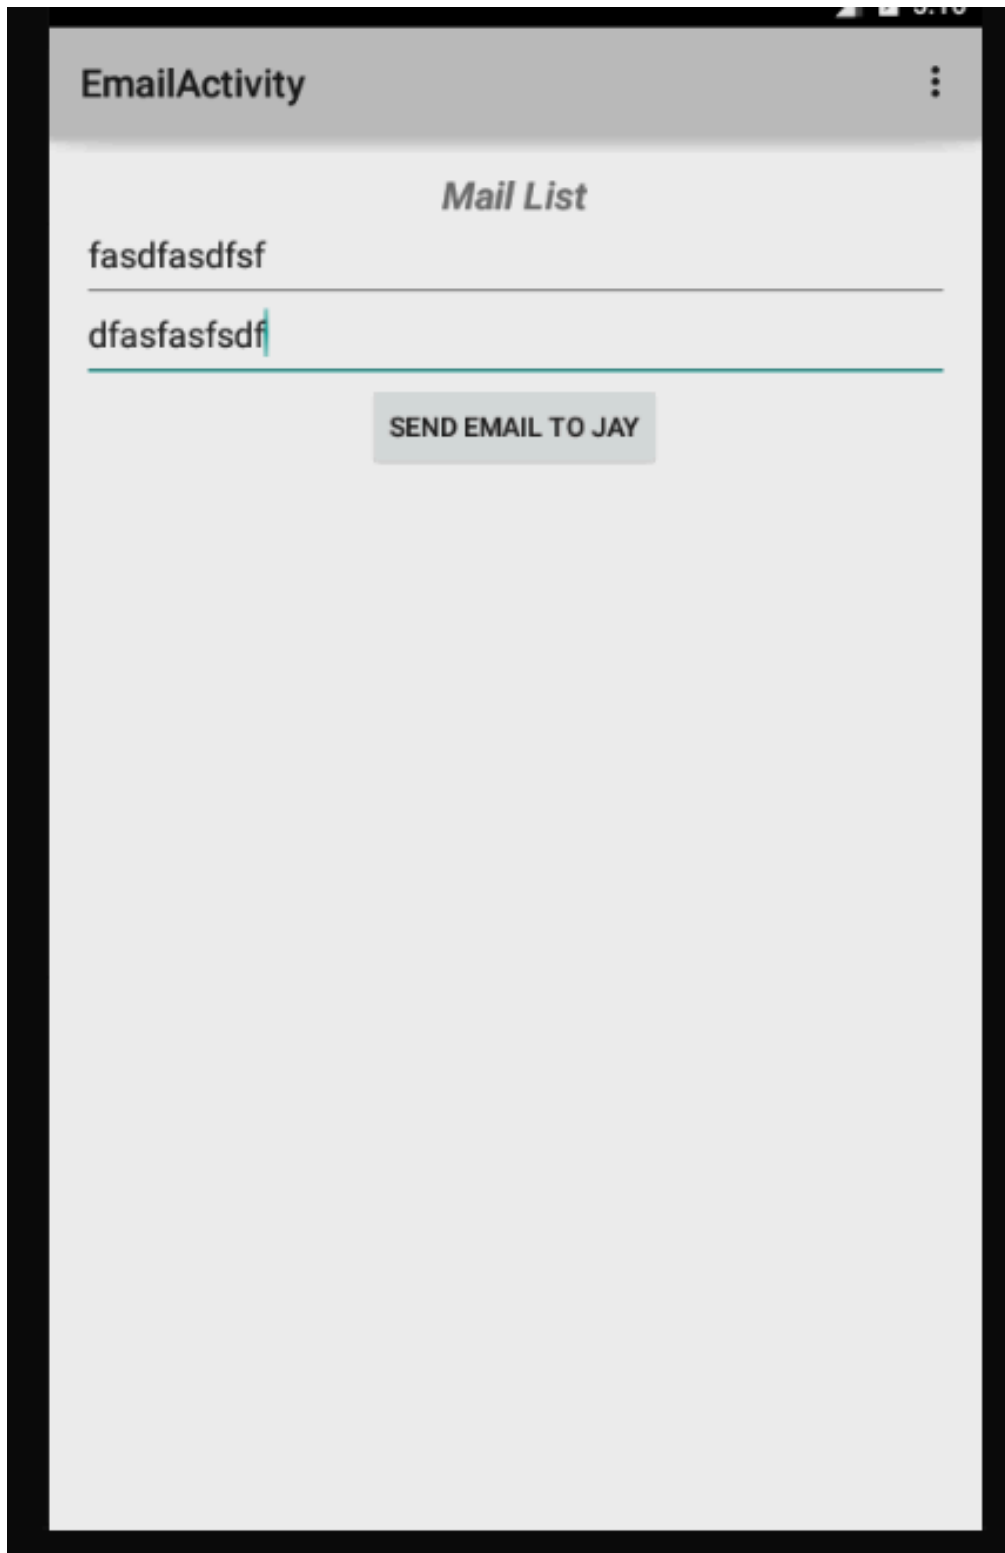

5. If you click “**Video**” Button, it would jump to Video Activity, and you can play 2 videos and pause them.

6. If you click “**IMAGE WALL**” Button, it would jump to image wall activity, and you can click one of three buttons, and each button would show different image.

7. If you click “**email**” Button, it would jump to Email button, and you can input subject and content, and click “send to jay”, it would jump to your email app, and send it to artist’ email.

The screenshot displays an Android application interface for an email activity. At the top, a grey header bar contains the text "EmailActivity" on the left and a vertical ellipsis menu icon on the right. Below the header, the main content area has a light grey background. It begins with the title "Mail List" in a bold, italicized font. There are two text input fields: the first contains the placeholder text "fasdfasdfs" and the second contains "dfasfasfsdf". Each input field is underlined with a thin horizontal line. Below the second input field, there is a rectangular button with a light grey background and the text "SEND EMAIL TO JAY" in all caps.

8. If you didn't input anything, it would mention you on below.

The screenshot shows an Android application interface for an email activity. At the top, the title bar reads "EmailActivity" with a three-dot menu icon on the right. Below the title bar, the section is titled "Mail List". There are two input fields: "Input Subject" and "Input Content", each with a horizontal line underneath. Below the input fields is a button labeled "SEND EMAIL TO JAY". At the bottom of the screen, there is a dark rounded rectangle containing the text "Please input subject and Content".
